Visual Studio Code

Dreamweaver

## AdobeCC

Photoshop

Illustrator

Fireworks

Premiere Pro

## CMS

WordPress

Drupal 7

## Marketing

Mail Chimp

Search Engine Optimization

## Version Control

Git

**WORK HISTORY** | **GENERAL MAINTENANCE PIONEER HYBRID**  
JUNE 2008 – AUGUST 2008

This was a seasonal positional where I mostly worked inside a warehouse operating a forklift and sorting bags of corn to be placed into cold storage. I also performed maintenance around the plant including replacing seals on dryers and maintaining the landscape.

**DELIVERY DRIVER / MANAGER JIMMY JOHNS**

APRIL 2009 – APRIL 2012

APRIL 2013 – JULY 2016

Along with normal driving and in shop duties I would help manage the store if needed. While managing I was tasked with supervising a team ranging from 3-8 employees. As the manager it was my job to ensure the store was closed properly. This included making sure staff had performed cleaning procedures properly, the drawers and safe were counted correctly and the night deposit made it to the bank safely.

**ELECTRICIAN APPRENTICE KURRENT ELECTRIC**

APRIL 2012 – APRIL 2013

My duties included the assembly, installation, and testing of electrical equipment, appliances, and fixtures. I would also rough-in houses and apartment complexes which required the planning and installation of the electrical wiring, outlets, service cables, breaker panels, and underground piping according to state regulations. Hand and power tools were used extensively.

**DELIVERY DRIVER CASEYS GENERAL STORE**

JULY 2016 – OCTOBER 2016

For this position I was required to handle customers' orders, make the orders, deliver the orders, and stock and clean the kitchen.

**HELP DESK TECH WELLSFARGO**

AUGUST 2017 – SEPTEMBER 2017

During my time at Wellsfargo I provided password support for all internal employees.

**EDUCATION | DES MOINES AREA COMMUNITY COLLEGE, ANKENY**

A.A.S. – WEB DEVELOPMENT

Some of my course projects can be viewed on my portfolio website here:
